Custom Food Wrap Quote Form

1. Choose Size and Material

Food Contact:

Wax coated paper can be printed to allow food contact onto printed side. Eg tray liners. All other printed papers – only suitable for wrapping around food with printing on the outside.

Papers Available:

- 35 GSM premium grease proof (GR)

Suited for wrapping most food items. Ideal thickness for easy wrapping.

- 34 GSM Wax Coated (WAX)

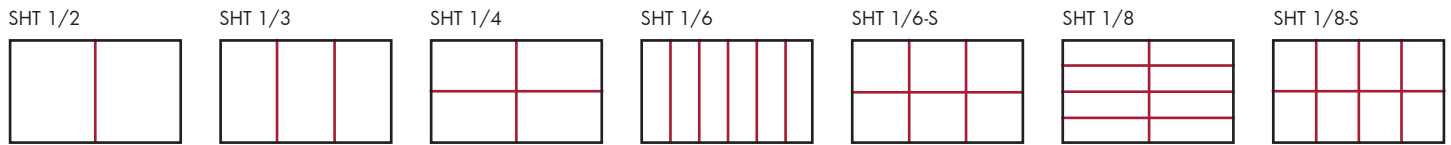

Print colours are brighter. Can put wax over print for food contact on print side.

- 40 GSM Poly Coated (PC) paper

Offers a waterproof barrier. Suitable for a variety of uses. Not recyclable.

Cut area from full sheet - 400 x 660mm.
